According to articles 121 § 4, 123 § 1,3,4,5, 124 § 1,6, 128, 141 of law 4548/2018 (former article 26 § 2b, article 27, article 28a & article 39 of Codified Law 2190/1920) the following informative data in relation to the forthcoming Ordinary General Assembly will be listed.

1. Right to participate and vote

Each share gives the right to one vote. Whoever appears to be a shareholder in the records of the Dematerialized Securities System (DSS), managed by the "Hellenic Central Securities Depository SA" (ATHEXCSD) where the securities (shares) of the Company are kept, is entitled to participate in the General Assembly. The shareholder capacity can be proven by any legal means and, in any case, according to the information received by the Company from the central securities depository, if it provides registry services or through the participating and registered intermediaries in the central securities depository in any other case.

The capacity of the shareholder must exist at the beginning of the fifth (5th) day prior to the date of the General Assembly, i.e., on 11.12.2022 at 11:00:00 hrs. (Record Date article 124 § 6 of law 4548/2018)

and relevant written confirmation or the electronic certification regarding the shareholder capacity must reach the Company no later than the 3rd day before the meeting of the General Assembly, i.e., by 13.12.2022. Those shareholders who are legal entities must also submit within the same deadline in accordance with the law and their legal documents.

In any eventual 1st and 2nd Repeat General Assembly may participate shareholders observing the above formalities. Given that, no new invitation will be published for any Repeat General Assembly and given that said Assemblies are no more than 30 days away from the above Record Date, the capacity of the shareholder must exist at the above Record Date (article 124 § 6 section 2 of law 4548/2018). With regard to the certification of the shareholder's capacity and the representation of legal entities - shareholders in the General Assemblies the above deadlines mentioned for the 1st meeting of the General Assembly must be observed.

With regard to the Company, it is considered that whoever has the capacity of shareholder on the Record Date shall have the right to participate and vote in the General Assembly. In case of non-compliance with the provisions of article 124 § 1, 6 of law 4548/2018 (former article 28a article of Codified Law 2190/20) said shareholder shall participate in the General Assembly only if the Assembly grants its permission (article 124 § 5 of law 4548/2018 - former article 28a § 6 article of Codified Law 2190/20).

It is hereby noted that the exercise of said participation and voting rights does not require the block of the beneficiary's shares nor the observance of any other similar procedure, which limits the ability to sell and transfer shares during the period between the Record Date and the date of the General Assembly.

2. Procedure for voting by proxy

Every shareholder attends the General Assembly and votes either in person or through proxies. Each shareholder may appoint up to three (3) proxies. However, if the shareholder holds Company shares that appear in more than one securities' account, this limitation does not prevent the shareholder from appointing different proxies for the shares that appear in each securities account in relation to the General Assembly. Legal entities participate in the General Meeting by appointing up to three (3) natural persons as their proxies. A proxy that acts for more shareholders may vote differently for every shareholder. The shareholder may appoint a proxy for a single general meeting or for all meetings that take place within a certain time.

The proxy is obliged to disclose to the Company prior to the commencement of the General Assembly every specific fact, which could be useful to shareholders in order to evaluate the risk of the proxy serving interests other than the shareholder's interests. Within the meaning of this paragraph, a conflict of interest may arise mainly in cases when the proxy is:

a) a shareholder that exercises the control of the Company or another legal entity or an entity controlled by that shareholder, b) a member of the Board of Directors or of the general management team of the Company or of a shareholder controlling the Company, or of another legal entity or of an entity controlled by a shareholder controlling the Company, c) an employee or certified auditor of the Company or of a shareholder controlling the Company, or of another legal entity or of an entity controlled by a shareholder controlling the Company d) the spouse or a relative of first degree of one of the natural persons mentioned in cases (a) to (c) (article 128 § 5 of law 4548/2018).

The appointment and revocation of the shareholder's proxy is done in writing and is notified to the Company by submission of the relevant document, at least three (3) days prior to the scheduled date of the General Assembly.

The Company has made available on its website on the internet <http://www.vis.gr> (see hereinabove), the form used for the appointment of a proxy. The aforementioned form, filled out and signed according to the instructions given for its completion, signing, and submission, must be sent by fax to + 30 210 6161399 to the attention of the Shareholders Services Department, or must be posted to the Company's address in the Municipal Community of Magoula of the Municipal Unit of Magoula of the Municipality of Elefsina of the Regional Unit of West Attica in Georgiou Gennimata Avenue (Postal Code 190 18, KANAKI factory). In any event, it must have been received by the Company at least three (3) days prior to the date of the General Assembly or any Repeat Meeting. In any case, except in the case of fraud, the Company is not responsible for verifying the authenticity of the shareholder's signature on the form of appointment of his proxy. In case of obvious forgery of the shareholder's signature, the Company is entitled to contact the shareholder by phone or to do whatever it deems necessary and expedient in order to verify the authenticity of the signature. In case of reasonable doubt, the proxy will not be accepted by the Company with a justification, which will be recorded in the minutes. The shareholder is required to confirm the successful dispatch of his proxy appointment form and its receipt by the Company, by contacting the Shareholders Service at +30 210 6161300.

In the absence of a relevant statutory provision, the Company does not accept electronic notifications of the appointment of proxies and revocation of proxies, nor is it possible to participate in the General Meeting by electronic means or remotely.
